

REGULATION CC: Funds Availability Disclosures.

Important information on deposits, holds and withdrawals

YOUR ABILITY TO WITHDRAW FUNDS AT YOUR CREDIT UNION

General Policy: Our policy is to make funds from your cash and check deposits available to you on the same business day that we receive your deposit. Electronic deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. For determining the availability of your deposit, every day is a business day, except Saturdays, Sundays and state and federal holidays. If you make a deposit before 5:00pm, on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 5:00pm or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Reservation of Right to Hold: In some cases, we will not make all of the funds that you deposit by check available to you on the same business day that we receive your deposit. Depending on the type of check you deposit, funds may not be available until the second business day after the day of your deposit. However, the first \$225.00 (Two hundred twenty-five dollars) of your deposit may be available immediately. If we are not going to make all of the funds from your deposit available on the same business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the next business day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Holds on Other Funds: If we cash a share draft or check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.
